

## ***Try-Like-Change Pledge***

### **T.L.C. Guarantee - Try it. Like It. Or Change It. Guarantee.**

This is a great complement to the new feature rich plans we've been rolling out over the past year because it eliminates the fear of choosing the wrong plan. If a customer who enrolls any time after September 4, 2022 or renews on a new plan after that date finds that their plan isn't the right fit, the TLC Guarantee gives customers the opportunity to change to a different Ambit term plan any time once in the next 12 months without penalty.
